First of all, I want to be loved.

If I can't be loved, I want to be respected.

If I can't be respected, I want to be accepted.

If I can't be accepted, I want to be recognized.

If I can't be recognized, I want to be noticed.

If I can't be noticed, I want to be feared.

If I can't be feared, I want to be hated.

Najbolj od vsega si želim, da bi bil ljubljen.

Če ne morem biti ljubljen, si želim biti spoštovan.

Če ne morem biti spoštovan, si želim biti sprejet.

Če ne morem biti sprejet, si želim biti priznan.

Če ne morem biti priznan, si želim biti opažen.

Če ne morem biti opažen, si želim biti strah vzbujujoč.

Če ne morem biti strah vzbujujoč, želim biti osovražen.
